OUR MISSION

The "Caribou Hills Cabin Hoppers" is a non-profit volunteer organization established in 1987 to promote, develop, and secure recreational trails for public use. Our common goal is to preserve these trails for future generations to be enjoyed year round by hikers, hunters, bikers, backpackers, cross-country skiers, dog mushers, and snowmachiners; anyone who desires to enjoy our great public lands. These are our members. They come from all walks of life. Our fundraising proceeds are used to purchase and maintain our equipment, provide public access and develop safe trails, and to participate in community programs and sponsor local charitable activities. We are a volunteer organization, so please join us in our efforts. **Your membership is critical to our organization.**
